

ATHE Level 4 Diploma In Computing

Course overview

This qualification provides the core knowledge, understanding and skills to support learners planning to further their studies in computing. It is equivalent to the first year of a degree programme in Computing.

Fees and Pricing

This course is eligible for funding through Government Advanced Learning Loans.

Course Duration

9 TO 12 MONTHS

Entry Requirements

- This qualification is designed for learners who are aged 18 and above.
- For learners who have recently been in education or training the entry profile is likely to include one of following:
- a GCE Advanced level profile with achievement in 2 or more subjects supported by 5 or more GCSEs at grades C and above
- other related level 3 qualifications
- an Access to Higher Education Certificate delivered by an approved further education institute and validated by an Access Validating Agency
- Learners may also have relevant work experience.
- Learners must also have an appropriate standard of English to enable them to access relevant resources and complete the unit assignments.

Unit Content

Progression Opportunities

This course is split into ten manageable units:

Unit 1: IT and Society

Unit 2: Computer Systems and Software

Unit 3: Computer Programming

Unit 4: Relational Database Systems

Unit 5: Software Engineering

Unit 6: Systems Analysis and Design

Unit 7: E-commerce Applications

Unit 8: Human Computer Interaction

Unit 9: Information Systems Theory and Practice

Unit 10: Management Information Systems

On successful completion of a Level 4 qualification in Computing learners may progress to:

- Level 5 Diploma in Computing
- Employment in a computing and/or technology role at an appropriate level
- The second year of a degree programme

Mode of Delivery

Face to face and online, however due to COVID 19 restrictions, this course is currently delivered online
