

TEMPLEGATE TRAINING ACADEMY

TTA Teaching & Learning:

At Templegate Training Academy, we take the welfare of all our learners, staff and communities extremely seriously. Due to the current covid-19 situation and second lockdown, we are taking all the necessary steps to protect our learners, staff, service users and communities from the pandemic. The Covid-19 situation has affected the class-based learning. However, we are continuing delivering online courses and training until the situation changes.

Coronavirus Updates:

COVID-19 case numbers are rising rapidly across the whole of the UK. People must act now to control the spread of the virus. The single most important action we can all take, in fighting coronavirus, is to stay at home, to protect the NHS and save lives. That is why, from Thursday 5 November until Wednesday 2 December, the Government is taking the following action:

New national restrictions are now in place

- 1) Stay at home
- 2) Only leave home for food, medical reasons, exercise, education or work
- 3) Work from home if you can
- 4) Avoid travel unless essential

5) Continue to protect yourself and others by remembering to wash hands, cover face, make space.

We will continue to update our website as more details are published by the government.

Student Loan Growth:

During these hard and unprecedented times, TTA still manages to have good student loan growth rate. Overall demand for level 3 and higher education has increased and TTA has recruited new student in various courses. TTA is supporting Communities offers a wide range of study subjects and training courses that are tailored to meet their needs.

TTA Mobile Application:

TTA is in progress to launch A Mobile application for the learners. This means having education via the Internet or network using personal mobile devices, such as tablets and smartphones to obtain learning materials through mobile apps, social interactions and online educational hubs. It will be flexible, allowing our students access to education anywhere, anytime.

Cyber Security plus:

We are pleased to announce that TTA has achieved Cyber Security Plus Certificate. This has allowed TTA to improve their security, demonstrate that protections are in place. This will provide our organisation with a better understanding of cyber risk level due to the on-site vulnerability scan, protect networks and data from unauthorized access, improved information security and business continuity management.

Safeguarding and Well-being:

TTA is closed for class-based learning, we are taking all the necessary steps to protect our learners, staff, and communities from the pandemic. It is important to reassure our learners and their families that we will continue to monitor the health and wellbeing of our learners. During this lockdown, tutors are staying in contact with the learners. Learners have been issued with guidance by the TTA Team outlining the safe ways to contact staff. If you have safeguarding concerns during the shutdown period, please email at admin@ttacik.uk to discuss your concern or call for advice and guidance from a member of the Safeguarding Team.
